Chatham County Does Not Accept The Dedication Of The Ways
Or Assume Any Obligation With Reference To Them Nor Invite
Or Sanction Their Use As Roads Or Streets By The Public By
Approving This Plan; Nor Does The County Accept Responsibility
Or Assume Any Obligation With Respect To Surface Drainage
That Is Not Provided For By Canals & Ditches Now Existing.

GENERAL NOTES:

1. Lots to have a minimum building set back line as indicated.
2. Lots will have easement on side and/or rear as shown.
3. All corners shown "o" indicate concrete monuments.
4. Lots to be served by community water system & septic tanks.
5. Street in this subdivision to be paved by developer as required by Chatham County & to have concrete curbs & gutters.
6. All elevations based on Mean Sea Level datum.
7. Existing elevations shown "e".
8. I certify that all angles, bearings, measurements of courses and distances, and monument locations are correct as shown and have been proven by land survey.

In my opinion, this is a correct representation of the land
platted and has been prepared in conformity with the
minimum standards and requirements of law.
