Chatham County Does Not Accept The Dedication Of The Ways  
 Or Assume Any Obligation With Reference To Them Nor Invite  
 Or Sanction Their Use As Roads Or Streets By The Public By  
 Approving This Plan, Nor Does The County Accept Responsibility  
 Or Assume Any Obligation With Respect To Surface Drainage  
 That Is Not Provided For By Canals & Ditches Now Existing.

GENERAL NOTES

1. All lots to have a minimum building setback line as shown.
2. All elevations based on Mean Sea Level Datum.
3. Lots will have easement on side and or rear as shown.
4. All corners shown "•" indicate concrete monuments.
5. Lots to be served by city water & sanitary sewers.
6. Streets in this subdivision shall be paved by the developer.
7. Street markers to be installed at all intersections.

I certify that this subdivision will drain as shown on the  
 approved engineering drawings and that all angles, bearings  
 measurements of courses and distances and monument locations  
 are correct as shown and have been proved by land survey.

In my opinion, this plot is a correct representation of the land  
 platted and has been prepared in conformity with the minimum  
 standards and requirements of law.
